MARCH IS EYE DONOR MONTH

Hi, my name is Lydia. I'm pictured here with my son, Lenny, who joined the Donate Life NJ Registry when he was a teenager because he felt so strongly about wanting to help others. No one could have imagined he would lose his life, tragically, just before his 21st birthday. Our feeling of loss and devastation was all-encompassing, except for one glimmer of hope: Lenny's wish to help others by joining the Donor Registry had enabled him to donate his corneas. Through the efforts of the Lions Eye Bank of New Jersey, we learned that eye and corneal tissue donors help to restore sight to thousands of people each year - hundreds in New Jersey alone. That's why the Lions Eye Bank of New Jersey's mission is so important to me - it is a legacy that keeps Lenny alive.

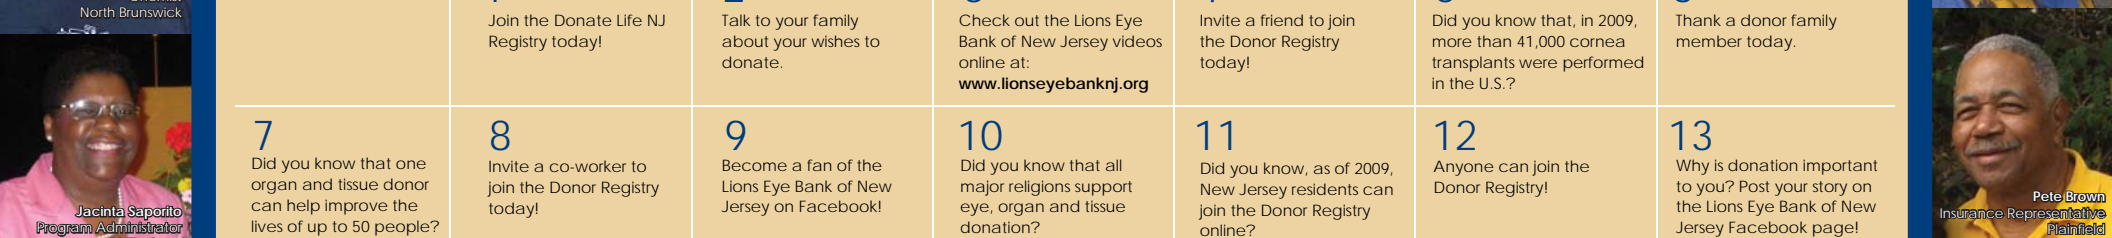

March is National Eye Donor Month. I hope you'll join me in honoring the memory of Lenny, and the thousands of others whose generosity helps to restore eyesight, by joining the Donate Life NJ Registry. Simply visit www.lionseyebanknj.org and click on the *I Joined!* link. It only takes a moment to save and change lives.
